THESPIANS DISTRICT CAST/CREW CONTRACT

Please initial in each box indicating that you have read and understand the commitment and then sign this contract.

I accept my role in the District Cast/Crew and understand the time and financial commitment that I am undertaking. I know this commitment will take a lot of time, including after school, some evenings, and some weekend rehearsals, the Sept. 22nd Workshop Day, and the December 21st Final Rehearsals and Showcase Night. I will honor my prior commitments: if I have rehearsal, I will NOT accept "a better offer" that would keep me from rehearsal. If my grades drop, Mrs. Marshall may remove me from the Cast/Crew. If I am skipping classes or have 4 or more unexcused absences from my school classes, Mrs. Marshall may remove me from the Cast/Crew. I can have 3 excused rehearsal absences (parent notes turned in a week ahead of time. If I am too sick to attend school, I cannot attend a rehearsal after school. Sickness is an excused absence. But let your scene leader know if you are home sick on a rehearsal day.) Other than excused absences (or true emergencies) an unexcused absence is a strike X.

I will keep a calendar and check the website often to make sure I know my rehearsal schedule. Saying, "I didn't know" if the rehearsal schedule is online and sent out by Remind is not an accepted excuse. I agree to attend all rehearsals/work sessions for which I am scheduled. If I am sick or there is a legitimate emergency, I will let my scene leader know by texting them at least an hour before my rehearsal.

I have signed up for the District Remind notices by texting **@leonthes** to the number **81010**. I have turned on REMIND NOTICES and pledge to #CheckTheWebsite.

I understand the payment plan **\$110 DUE THURSDAY, OCT. 11th & \$110 DUE FRIDAY, NOV. 30th** and will have my cash/checks (made out to Leon Theatre) given to Mrs. Marshall by those dates. If I need a scholarship, I will apply for one immediately! Scholarship \$\$\$ will be given out on a first come basis.

I understand and commit to the THREE STRIKES policy and know that I will be removed from the cast/crew if I accumulate three strikes. If I am removed from the cast/crew OR if I choose to drop out after payments have been made, I will not be able to be reimbursed for the funds I have paid, as that money has already been used to pay for the non-refundable registration, bus space, and reserved hotel room.

STRIKES

X = missing a rehearsal without letting your scene leader know (at least one hour before)

X = a payment not being turned in by the due date published online and sent out in Remind

X = failing to display sufficient artistic discipline (learning lines by OFF BOOK date, cooperating with cast/crew, etc.).

I will abide by all Student Rights and Responsibilities as outlined by Leon County Schools while rehearsing and on the District trip. I understand that this is a PRIVILEGE and RESPONSIBILITY and my behavior reflects on the Theatre department as a whole.

I give permission for my likeness to be used in publicity materials connected to Leon Theatre & Districts.
